## The Story

As part of the project we were able to give two local charities a much-needed boost.

Long Itchington Youth Club, which provides activities for up to 30 youngsters aged between 9 and 16 years on a weekly basis, accepted a TV and an Xbox, plus a cheque for £1,000.

A cheque for £1,500 was also given to The Long Itchington Educational Foundation, which offers grants each year to around 30 young villagers who are going to college or university and also provides financial assistance for individual children at Long Itchington C of E Primary School.
