Youngsters in Long Compton are celebrating the completion of a brand new play area in their village.

We completed our Weston Court development of five affordable homes for local people last summer. As part of the project we gave the Parish Council funding to create a wooden play area on the site so youngsters no

longer have to travel across Long Compton to reach the village's only play area.

Now families are enjoying meeting and socialising at the play area, helping to bring the community together.

FOR YOUR BENEFIT

MINOR AILMENT SCHEME

If your child has a minor health complaint and you're already entitled to a free prescription, you may also be able to get free non-prescription medicines and treatments through the minor ailment scheme. Ailments include coughs, colds, stomach upsets and hayfever. It's only available in some areas, so ask your local pharmacy.

WORK ALLOWANCES

Work allowances are being increased by £1000 for the year. These are the amount that people with children and people with disabilities can earn before it is taken into account as income for Universal Credit.

EUROPEAN HEALTH INSURANCE CARDS (EHIC)

Anyone travelling abroad should have an EHIC to get free or discounted medical care in all 28 EU countries. Millions of these cards are due to expire in 2019 so check yours is still valid before you head on holiday. Call 0300 330 1350 to get a free card or visit www.ehic.org.uk

PAYSLIP RIGHTS

All workers, not just employees, are now entitled to an itemised pay statement. If your pay varies according to the time worked eg if you're paid hourly or do overtime, your payslip will have to show the hours you've worked so you can check you've been paid the right amount.

BOOTS OVER 60s

If you're over 60, have you joined Boots' free 'More Treats For Over 60s' club? It gives members 10 Advantage points for every £1 spent in store on Boots' own brand products and you get 25% off glasses. Ask in your local Boots store.

PREPAY PRESCRIPTIONS

If you need prescriptions regularly – at least once a month - you might save money with a prepayment certificate (PPC). This lets you get as many prescriptions as you need for either three or 12 months for a set price. You can buy a PPC online at apps.nhsbsa.nhs.uk/ppc-online/patient.do or by calling 0300 330 1341.

BANK FRAUD

Banks are now required to refund customers who've been scammed into transferring money to fraudsters. To avoid being scammed, don't send money to someone you've never met in person. If you feel you have to, avoid sending a large sum in one go and only use a reputable and secure money transfer service.

PESTS!

Summer can often bring unwanted pests into your home and garden.

- Getting rid of wasps nests is your responsibility but your local council can help. Some offer free pest control services but others may charge. We'll make good any damage to your home.
- If you have birds nesting, wait until the birds leave and then get in touch with us.
- For pests such as slugs and ants, have a look at the products available in your local supermarket or garden centre.

HOW TO ... CLEAN WITHOUT CHEMICALS

Here's the latest guide in our 'How to...' feature to help you easily and cheaply keep your home clean without the need for chemicals.

- To make your sinks shine, sprinkle salt on half a grapefruit or lemon then use it to wipe down the sink.
- To unblock your shower head, put some vinegar in a plastic bag and attach it over the shower head with elastic bands. Leave overnight.
- To clean windows and mirrors, wipe them with chopped potatoes. Leave for a couple of minutes, then wipe clean.
- To remove stains from tiles, mix vinegar with baking soda and leave on the tiles for a few minutes. Then rinse off with water and wipe dry.
- To clean your carpet, sprinkle baking soda over it and leave it for 15 minutes, then vacuum.

IN YOUR OWN WORDS ...

We asked you what you think of your housing association?

"I am so grateful that you gave us a safe home in the village I love."

Ask us ...

Have you got a question about your home or the services we provide? If so, ask away! We'll be answering one of your questions in every newsletter. Simply email them to sue.haywood@midlandsrural.org.uk

Carol asked: How can I find out when the area of grass on our street will be cut?

David Krause, Development and Maintenance Manager says:

There's a communal gardening and grounds maintenance schedule on our website. Look at the Living in your home section and click on 'The property' then 'Garden services'. The schedule details how often mowing and strimming, along with other work, will be carried out on your street during the Summer months (April to October) and in the Winter.
